

# DIGITAL HAPPENINGS #23

(June 2014)

By W0NAC ("Matt")

This month's Digital Happenings is going to be much shorter than usual. When you read this, Sharon and I will already have left for the National Convention in Visalia. Our schedule for digital operations is published on K3IMC's site, but our putting out San Juan County, WA on the 2<sup>nd</sup> of July may be of special interest to digital people. We will be taking the ferry to Lopez island and while there (1715Z - 2130Z) we will "put out" San Juan county on at least 4 digital modes (PSK-63, RTTY-45, DOMINO-22, and MFSK-32) in addition to SSB and CW. We will be transmitting on at least 20M (14.075 MHz True) and 40M (7.074 MHz True) for the Western guys (and gals). Other bands & modes may also be possible, time permitting. Next month I will pick back up on a technical topic as usual.

The updated Table 3 is given below:

**How To Get Your 5 – Mode Statistics Updated:**

Several past Digital Happenings articles have given detailed instructions on a new and easy way to update your digital statistics for Table 3 by using a small program called “Digital Report Utility”. This

new program will create a report for you showing your progress for both the **USA – Digital** and the **5 – Mode Awards** and email it to W0NAC. Instead of repeating these instructions every month I have included them in a Microsoft Word document that you can download by clicking on the following link: <https://dl.dropboxusercontent.com/u/26171574/Happenings/5%20Mode%20Update.doc>

**Other possible topics for future months include (in no particular order):**

“More Lesser Well Known Features of Fldigi”

“How to Log Your Digital Contacts in Logger”

“Macros – Revisited”

“New Digital Awards?”

“Digital Software Installation – Revisited”

If anyone has a story or tip that you wish to contribute, I will certainly try to include it. Short stories describing your experiences/joys/frustrations in getting started in digital ops would be especially welcome. Summaries of any digital trips you make (or have made in the past) would also be good. I look forward to hearing from you. Don't be shy!

Please email me with your comments/suggestions at [w0nac@comcast.net](mailto:w0nac@comcast.net) and don't forget to send your updated status for the **USA – Digital** and **5 - Mode Awards** so I can update the Active Digital County Hunters Award Status list again next month.

73's and we hope that we see you at the digital meeting in Visalia, CA in July. If not, on our waterfall again real soon!

Matt – W0NAC
